Prepare For a Thrilling Thursday

After breakfast, teams will spend time working together in the resource rooms until our first activity which will give team members time to share what they have been working on this week. After lunch, we will be planning our next steps and discussing how to continue our journey towards school success! Lastly teams will turn in projects and will prepare for their trip home. Have safe travels and a restful weekend, we look forward to seeing you on Oct. 16th!

Topicals

The topical sessions were a huge success! Everything from Data to Belly Buttons were discussed during the morning sessions. Schools then had an opportunity to have the speakers visit the team rooms to get school specific with the information.
